CAPABILITY STATEMENT

MEDICALBILLINGPARTNERSNC.COM

Medical Billing Partners, LLC (MBP) leverages deep clinical experience and extensive knowledge of commercial and government payer systems to deliver comprehensive revenue cycle optimization for medical practices, skilled nursing and residential care facilities, and government healthcare contracts. With over 28 years of industry experience, we specialize in maximizing financial accuracy, ensuring compliance, and streamlining practice management for civilian, state, and federal healthcare organizations — delivering audit-ready, client-focused results built on accountability and trust.

CORE COMPETENCIES

Revenue Cycle & Government Healthcare Billing | 28 Years Experience

Medical Billing & Coding

✓ Knowledge: Accurate coding, claims auditing, and fee schedule development performed by staff trained across commercial and government payer requirements.

Revenue Cycle Management

✓ Knowledge: Comprehensive optimization, collections, and patient billing services that maximize financial accuracy from claim to close.

Practice Management & Credentialing

✓ Knowledge: Full-service operational support, provider credentialing, and dedicated technical assistance for practices and facilities.

EHR & Cloud Solutions

✓ Knowledge: Electronic Health Record (EHR) software integration and secure cloud storage supporting audit-ready documentation.

Specialized Healthcare Programs

✓ Knowledge: Clinical trial financial tracking, "buy and bill" models, and pharmaceutical patient-assistance card programs.

Government Contracting & Compliance

✓ Knowledge: Federal and state contract billing, Medicare/Medicaid cost reporting, and audit-ready documentation for government healthcare facilities.

Government Payer Expertise

Medicare (Parts A & B, Cost Reporting)

Medicaid

TRICARE

CHAMPVA

VA Community Care Network (VACCN)

PAST PERFORMANCE

State Veterans Facility (500+ Beds) | Awarded Jan. 2025 – Contract #25144

Manages medical billing, revenue cycle optimization, and records review; handles fee schedule development, Veterans Home EHR integration, and billing for Medicare, Medicaid, TRICARE, and VA, including prior authorization and Part B vaccine/medication billing.

State Psychiatric Hospitals (3 Locations) | Awarded Jan. 2026 – Contract #BC8709

Executes Medicare & Medicaid cost reporting and auditing across three state psychiatric hospital locations.

Medical Billing Partners, LLC | Aug. 2022 – Present

Tailored billing and auditing services, comprehensive service reviews, detailed code lists/fee schedules, technical support, prior authorizations, and provider credentialing.

Carolina Medical Health Supply, LLC | Jun. 2026 – Present

(DME) Durable Medical Equipment billing, coding, prior authorization and credentialing services.

Duke Medical Center | Mar. 2021 – Apr. 2024

Clinical Trial Implementation Project Manager (Hematologic Malignancies & Cellular Therapies); optimized trial operations and billing allocation between study grants and patient insurance.
